PROPERTY DESCRIPTION

This home has a great floorplan that appeals to Ranch Buyers. The lighting throughout the entire home has been upgraded, along with all of the door knobs. Its open great room w/ Vaulted ceilings & stone fireplace are absolutely gorgeous. The great room features a fireplace blower, and a Custom T.V. Nook. There is an open Kitchen w/ Island ,Breakfast bar, hardwoods, granite countertops & Pantry. The cabinet hinges in the kitchen have all been upgraded to allow for easier access to their contents. The kitchen also features stainless Steel Appliances. The homes Appliances are under warranty until 2011.The octagon Dining area w/ hardwoods is breathtaking. The homes 3 car Garage leads into a full 3 car driveway too, as an extension was added. The front exterior of the home features a Stucco & Faux Stone on Front Elevation. The large master suite w/ coffered ceiling offers a master bath with a whirlpool tub & walk-in closet w/ vanity (any woman's dream). The 2nd main floor bedroom can be a Den/study and contains a solar tube and custom bookcase. The solar tube is the same concept as a skylight, however it is much more efficient and effective. The large walk-out lower level family room walks right into the well-kept back yard. The lower level also houses a Full Bath and 2 Bedrooms both with generous closets . The walls in the lower level are 9' Walls. The lower level also has its own unfinished Storage area.
